

MIDWEST MARTIAL ARTS ASSOCIATION SOUTHERN CONFERENCE

Why Joining MMASC is Important for YOU the Competitor

Membership helps you gain due recognition for your training and competition efforts because as you participate in MMASC tournaments you acquire ratings that will determine your divisional ranking at the end of the season.

The member who has accumulated the most points in their divisions will be honored at an end-of-season banquet and awards ceremony. The top ten in all sanctioned MMASC divisions will receive a plaque, with the season's champions receiving an MMASC sweatshirt.

Your membership shows support for an organization that is providing quality karate competition by staging on-time, efficiently run, fair and reputable tournaments.

CODE OF CONDUCT: The MMASC strives to promote fair and impartial tournaments. It is the responsibility of every competitor and spectator to conduct themselves in a professional manner. Lack of disrespect toward judges, instructors, competitors or spectators can result in loss of points and membership. The MMASC is a rating system that does not govern individual schools code of conduct. At the recommendation of any instructor for a student, friend, or family member that violates any written or verbal code of conduct from each individual school they too can be expelled from any MMASC competition, fight nights, seminars and can lose points that were gained during the MMASC season.
